

# Meet in Mildura

*More sunny days than the Gold Coast, accommodation aplenty and the facilities and expertise to help make your car rally a success.*

**Mildura welcomes  
50th Australian Van Nationals  
Thursday 17 - Monday 21 April 2025**

## **Vanning - Back to where it all began!**

Mildura welcomes all national and international vanners to the iconic 50th Australian Van Nationals & AGM to be held in Mildura during the Easter 2025 long weekend. We also welcome all companion motoring groups which will be attending and displaying vehicles at this exciting event.

We are genuinely excited to be hosting the event within our wonderful region, and believe Mildura will be an excellent host for your visit.

Vanning events such as this started in Mildura in the 1970s. In fact, the first four events were held in Mildura.

This iconic event made an exciting return to its birthplace in 2014, and we are proud to see it return again to celebrate its 50th anniversary in 2025.

Mildura Rural City Council is delighted to be working closely with local family club, Uteznvanz Inc., and their host committee, helpers, and the broader community to facilitate this event.

Whilst we're still deciding on the venue for this milestone event, Mildura has a multitude of fantastic options, including a new sporting precinct and the proposed Mildura Motorsport and Community Precinct. Our exciting show and shine will be celebrated on one of Council's renowned parklands, which will showcase the vehicles and displays. Camping will be available on site.

Mildura has much to offer visitors to the area and we hope you will extend your stay or attend early so you have time to enjoy the region.

We plan to make this an event to remember and aim to include in the program some original locations from the first four events held in Mildura. We look forward to welcoming new, current and former vanners, including those who attended the first events in Mildura, to share old memories.

Uteznvanz is hoping to collect some memorabilia from those four early events, so if you can help them please give them a call. Anything will be valued, a sticker, flyer, t-shirt or even photos.

We look forward to introducing you to our community and trust you will enjoy your stay.
