

Mildura welcomes 39th Australian Van Nationals

~ Friday 18 - Monday 21 April, 2014

Vanning ~ Back to its Grass Roots of the 70's

Mildura welcomes all Australian Vanners for the Annual General Meeting and Easter Program, extending the welcome to companion motoring group displays like muscle cars and a Top 10 Ute competition.

It is with pride we extend a genuine welcome to our Region in April 2014 and provide reasons why Mildura will be an excellent host for your visit.

Vanning commenced here in 1976 with the first 4 Australian Van Nationals being hosted here and we are proud to see Vanning return after all these years.

Our local family club Uteznvanz together with their Host Committee, Helpers, Council and the community are delighted to be working together to host this event. The selected venue; Irymple Community Leisure Centre should please everyone with its grassed oval for the show and shine and shaded areas for camping.

Camping will be available from Tuesday April 15th to Monday April 21st inclusive with the official event program covering the Easter weekend. With so much to see here, we hope you will extend your stay.

Our event program includes "going back to" some original event locations. We hope some of first Vanners will return for our event to share their memories.

We look forward to introducing you to our community and trust you will enjoy your stay.
