

Uteznvanz 2nd Virtual Autoshow 2021

WINNERS

What a year!

So many fantastic entries! Thank you everyone for supporting our show!

Once again many positive comments!

Several categories came down to the wording provided with the pics!

Due to this closeness we have decided to award a runner up in most categories!

For the second year we give a massive thank you to our Judge Scott Middleton and his team for the tough job they had in judging from your pics & wording.

Uteznvanz Congratulates and is proud to announce the winners of our

Some more extremely important stuff...

Congratulations!!!

To all our entrants and especially our winners for taking the time to collect the pics and enter our second virtual show.

Some of you have supported both years which is a fantastic effort and we thank you very much.

Its been a huge challenge to put a judged Autoshow together and for our judges to judge it but all the quality entrants, positive comments and support have made the effort worth while.

Thank you again for your support....

Winners may be viewed on our entrants page. www.uteznavanz.com.au

Massive Thankyou

Goes out to the entrants, sponsors and supporters who have donated above and beyond their entry fee towards the Show's success.

Your support has helped to make the show happen

Some are still being finalized and sourced, so the final release is coming soon!
Fingers crossed we can make a donation to our Charity Chances for Children...

You rock everyone!
